

Name: _____ Class: _____

The image shows a Facebook profile page with a grid overlay. The grid consists of 12 empty rectangular boxes arranged in 4 rows and 3 columns. The first row is the largest, followed by three rows of smaller boxes. The grid covers the main content area of the page, including the post creation area and the list of posts. The Facebook interface elements are visible around the grid: the top navigation bar with the Facebook logo, search bar, and navigation links (Home, Profile, Find Friends, Account); the profile header with tabs for Wall, Info, and Photos; the post creation area with a text input field, attach options, and a Share button; the left sidebar with sections for Information, Friends, and Likes; and the right sidebar with a 'Create an Ad' button.
